

The Teacher

I am at school
with my friends.
We are going
to see our teacher.

We go into the classroom,
and our teacher smiles at us.
We help her with the books.

In the morning, we
have our news time.
Our teacher talks to us,
and we talk to her.

She writes a story with
us, and we read it with
her.

I read my book to the teacher.

The teacher reads a story to us.

At playtime, we go outside.
We run and play games,
and our teacher looks after
us.

After play, we run into the classroom. Our teacher is not pleased, and she stops us.

She says that someone will get hurt if we run inside. She makes us walk.

We do maths at school.
The teacher helps us
with our work.
I am good at maths.

After school, Mum comes to get me.
I wave to my teacher, and I go home.
