

Market Day

It is market day in the neighborhood.
You can see and do a lot at the market!
My dad has a stand there.
He sells hats and caps. His pal Cam has pots and pans.

Max has bags and sacks. Pat has jam. Pat has cans of ham, too. Pat sells jam and ham as people go by.

I can help Dad at the stand.
My Lab, Sam, can help, too.
Sam sits on a mat.

Sam wags as people go by.
People pat Sam and then
get a cap.

I see my pals at the market.
My pal Dan and his dad are there.
Dan pats Sam. His dad gets a cap.

At 6:00, the hats and caps
go in the van.
Sam and I help Dad.

I sit in the van.
Sam naps on my lap.

We had a fun day!
What would you get
at the market?
